That's like having 6.8 years of daily use - about 4 times the shelf life of most generator products! Patriot Power Generator Guarantee: AND don't forget. It's all protected by our 100% Money-Back Satisfaction Guarantee, of course! Which means you can charge your generator up and drain it down for a full year -- really put it to the test.

A gas generator burns gasoline, so it is not environmentally friendly. It pollutes the air with carbon monoxide, just like a vehicle does. A solar-powered generator is environmentally friendly. You won't be wasting any non-renewable energy by using it. A gas generator has moving parts, so it's going to require regular maintenance.
