I bought the solar saga 80 watt panel and the 240 generator combo directly on the Jackery site. I charged the 240 fully with the ac charger and then the next day tried the 80 watt panel hooked up. Wasn't getting much wattage reading on the input in full sun on the reflector- maybe 10 watts. Tried a few other times but the same reading. I then discharged the 240 by plugging in a ...
