

What You Get: Anker MagGo Power Bank (10K), 2 ft (0.6 m) USB-C to USB-C cable, welcome guide, 24-month warranty, and our friendly customer service. Compatibility Note: This power bank is optimized for the iPhone 12/13/14/15 series with 15W magnetic fast charging capabilities. While it can charge Android devices such as Samsung and Google phones ...

A good quality power bank can last between 600 to 1,000 charging cycles, which translates to approximately 1.5 to 3.5 years of usage. However, the actual lifespan may vary based on factors such as the quality of the power bank, your usage patterns, and how well you maintain it.
