Just noticed that Seplos now sells a vertical 280Ah DIY enclosure, which looks quite nice, but I've not been able to find any reviews. Battery Pack DIY Kits Manufacturers-Seplos Battery Pack DIY Kits manufactures for commercial & residential.we are a total Battery Pack solutions provider

It had a bit more space on top compared to the seplos vertical box. Apexium is to my knowledge the same as Seplos Mason. I assembled one with a friend of mine and that is rock solid. Not a lot of space for an additional balancer. Quality is similar. I Would go for the box that offers the best space for an additional balancer . S.

Discover Seplos Mason 280 DIY Kits Here. Seplos Mason Vertical 280 48V 280Ah Battery Pack. This vertical pack is designed for minimal maintenance while providing high energy storage.
