

The 15th ASME Energy Sustainability Conference was jointly organized by the Solar Energy Division (SED) and the Advanced Energy Systems Division (AESD). The ...

The first volume of the new ASME Press Book Series on Renewable Energy is based on updated chapters from the classic 2011 Handbook of Energy and Power Generation, also edited by Dr. ...

In the autumn of 2002, 14 universities built solar houses on the National Mall in Washington, DC, in a student competition--the Solar Decathlon--demonstrating that homes ...

J. Sol. Energy Eng. | 143 | 5 | October 2021. View article titled, Application of Artificial Intelligence Techniques in Prediction of Energetic Performance of a Hybrid System Consisting of an Earth ...

J. Sol. Energy Eng. | 147 | 1 | February 2025. View article titled, A Dynamic Discrete Model of Ventilated Concrete Floor Integrated With Solar Air Collector Under the Effect of Uneven Direct ...

In the field of solar engineering the practical performance of solar energy conversion devices is generally evaluated strictly on an energy (first law) basis. However, the ...

On a global scale, solar power in particular has grown spectacularly. And a study published on October 17 in the journal Nature Communications suggests the factors ...

This article presents the latest parameters and delivery methods that provide global solar energy and meteorological resources on the Internet. Over the past several years ...

ANES/ASME Solar Joint 2006 XXXth Mexican National Solar Energy Week Conference October 2-6, 2006 Puerto de Veracruz, Mexico Conference Sponsors: SE ISBN: 0-7918-4264-9 Close ...

About the Journal. Purpose The Journal of Solar Energy Engineering - Including Wind Energy and Building Energy Conservation - publishes research papers that contain original work of ...

The rationale behind and the educational goals of the Solar Splash intercollegiate solar/electric boat competition are examined. An assessment is made as to how ...

Mass Flow Control Strategy for Maximum Energy Extraction in Thermal Energy Storage Tanks J. Sol. Energy Eng (December 2025) Numerical investigations on minimization of convective heat ...

View article titled, Erratum: "Chemically Enhanced Sunlight for Killing Bacteria" (ASME Journal of Solar

Energy Engineering, 1997, 119, pp. 85-92) Open the PDF for in another window. Topics: ...

This Special Issue of the ASME Journal of Solar Energy Engineering highlights the breadth and depth of research presented at the 17th Annual International Conference on ...

Grenlec is committed to diversifying Grenada's energy portfolio while providing safe, reliable, high quality, affordable electric service for everyone. Through a thoughtful, ...

ASME Press Series on Renewable Energy Edited by K.R. Rao This first volume in the new ASME Press Book Series on Renewable Energy is based on updated chapters from the classic 2011 ...

Journal of Energy Resources Technology, Part B: Subsurface Energy and Carbon Capture Journal of Engineering and Science in Medical Diagnostics and Therapy ...

Topics: Errors, Performance evaluation, Polynomials, Solar energy, Sunlight, Irradiation (Radiation exposure), Solar radiation, Radiation (Physics), Regression analysis A Combined ...

Bifacial solar cells can be more effective if designers and engineers use a new technique, developed by Purdue University researchers Muhammad "Ashraf" Alam and Ryyan Khan. Two equations make it easier to ...

Exergy Optimization of a Hybrid Multi Evaporative Desalination Plant powered by Solar and Geothermal Energy J. Sol. Energy Eng Direct Normal Irradiance Prediction-Based Optimum ...

For eg., the average electricity consumption in the US was 12,830 kWh/person/year in 2016. In India, most states have peak and energy deficits. In 2008-09, the average deficit was about ...

The ASME Solar Energy Division (SED) was established in 1966 from a group of ASME members interested in the application of solar energy to mechanical engineering systems. Solar related technologies broadly cover all renewable ...

Contributed by the Solar Energy Division of THE AMERICAN SOCIETY OF MECHANICAL ENGINEERS for publication in the ASME JOURNAL OF SOLAR ENERGY ...

View article titled, Exergy Optimization of a Hybrid Multi Evaporative Desalination Plant powered by Solar and Geothermal Energy Open the PDF for in another ...

Contributed by the Solar Energy Division of the THE AMERICAN SOCIETY OF MECHANICAL ENGINEERS for publication in the ASME JOURNAL OF SOLAR ENERGY ...

Dr. Harry Tabor established the Solar Energy laboratory within the National Physics Laboratory. In 1955 Dr. Tabor published 1,2 an interesting insight into selective ...
