

Is Timor-Leste a good country for solar energy?

Timor-Leste has a high-quality solar resource. The global horizontal irradiance in Dili is higher than on the east coast of Australia, where the solar market is mature and installation costs are higher. The cost of electricity in Timor-Leste for commercial and industrial consumers is high compared to ASEAN countries.

How long does a solar system last in Timor-Leste?

High electricity costs and readily available solar radiation mean that the average payback period for a rooftop photovoltaic (PV) solar energy system in Timor-Leste is only 1.5 to 3 years instead of the global average of 6-10 years. Transitioning to solar can also help the country meet environmental commitments.

Why did Timor - Leste invest in solar photovoltaics?

According to Silva, the government's purpose was to invest in Solar Photovoltaics (PV) because it can help Timor - Leste save the cost of fuel which will be filled with generators in Hera and Betanu. "Every year the Government pays \$126 million for the fuel which will be filled in the generator," he said.

Is there a market for roof-top solar energy systems in Timor-Leste?

Australia's Market Development Facility (MDF) and ITP Renewables conducted an assessment of the potential market for roof-top solar energy systems in Timor-Leste.

Does Timor-Leste have a demand for solar?

3 MDF survey on understanding demand for solar in Dili, Timor-Leste. Timor-Leste's rooftop PV solar industry is new and undeveloped. Limited availability of maintenance and spare parts inhibits some businesses from switching to solar.

What does a solar technician do in Timor-Leste?

Technicians in Timor-Leste have experience in small-scale, off-grid solar energy systems. Commercial or industrial scale installations are more complex and appropriate technical capacity is scarce.

RORASOLAR . WIE FUNKTIONIERT EIN BALKONKRAFTWERK ODER EINE BALKON SOLARANLAGE? Es handelt sich um eine kleine Sonnenkraftzentrale, perfekt geeignet für Ihren Balkon, Ihre Terrasse oder Ihr Flachdach.
