British Indian Ocean Territory (BIOT) Overview: The British Indian Ocean Territory (BIOT) is an overseas dependent territory of the United Kingdom that was established in 1965. The BIOT is comprised of six main island groups called the Chagos Archipelago. The largest and most southerly of the islands, Diego Garcia, is now used as a joint

Lithium-Ion UPS battery backup systems are designed to provide twice the life expectancy of traditional VRLA batteries. Through fewer battery replacements, ability to withstand higher temperatures, and quick recharge cycles, these systems are ideal for protecting your critical infrastructure in edge or distributed IT environments.

On 5 - 6 March 2018, the BIOT Administration hosted a workshop in London to begin the process of developing a new Conservation Management Plan for the Territory. The workshop brought together scientists, academics, representatives from non-governmental organisations and experts on conservation management.

We tested and researched the best home battery and backup systems from EcoFlow, Tesla, Anker, and others to help you find the right fit to keep you safe and comfortable during the hurricane season.
