

Estimates suggest the French and British collectively built more than 50 defenses with the goal of protecting Castries Harbor. This one at the northern entrance is Meadow's Battery. The military installment was created by the British in 1898. ...

The Caribbean Island of St. Lucia is known for its beautiful beaches, lush rainforests, and colorful coral reefs. But for some of the almost 200,000 people that live on the island, another incredible resource is affecting their daily lives -- the nearly 15,000 solar panels that are producing clean, reliable, electricity from the island's first utility-scale solar farm.
