General contracting, Project consultant Site supervisions, Electrical drafting, Renovations, Industrial installations, Domestic installations, Solar and inverter installations, Cctv installation, Ac installation, Security fence installation, Decoders installation, Generator installations, Troubleshooting,Repairs.

A solar inverter is really a converter, though the rules of physics say otherwise. A solar power inverter converts or inverts the direct current (DC) energy produced by a solar panel into Alternate Current (AC.) Most homes use AC rather than DC energy. DC energy is not safe to use in homes. If you run Direct Current (DC) directly to the house ...

Solar Battery Suppliers in Benin 2024 . ... Solar Hybrid Inverter, Lead Acid Batteries, Solar Street Lights, Home Inverter, Home UPS, Three Phase Inverter, energy efficient fan etc. These products are specifically suitable for powering up UPS and inverters. We use premium technology and high grade materials in these lead acid tubular batteries ...
