

Beon energy solutions Niger

Who are Beon Energy Solutions Australia & New Zealand?

Beon Energy Solutions Australia and New Zealand acknowledge and respect the Traditional Owners as the original custodians of the lands and waters where we operate. We recognise First Peoples' unique rights as Traditional Owners and their deep spiritual connection to Country, and thank them for continuing to care for it.

Why should you work at Beon Energy Solutions?

Beon Energy Solutions is at the forefront of the energy transition, and we will provide you with ample opportunities to grow your career. We have a unique culture that we are proud of, and we would love to welcome more talented people to our team.

Who is Beon's general manager?

We deliver safe, innovative and quality energy solutions that exceed our stakeholder ambitions. Kieren joined Beon in 2016 as Head of Construction and Maintenance and was appointed as General Manager in 2024. He has 25 years' experience in the development and delivery of major energy and infrastructure projects in Australia and abroad.

Why did Beon Energy Solutions rebrand?

The rebrand of Beon Energy Solutions follows the release of the Australian Energy Regulator's final ring-fencing guidelines. "Other than the change to our brand, the ring-fencing guidelines effectively only have a positive impact on our business."

What does Beon do?
