In this video, we'll dive into what a power bank is and how it functions, the pros and cons of using one, and how many times it can recharge your phone. We'll...

most buyers require a mortgage from their bank to purchase a home. If so, you will probably need fourteen (14) days to confirm that your bank will lend you the money to purchase the particular property in question - even if you have been pre-approved. Be sure to inform the bank of the closing date specified in the Sale and Purchase Agreement.

Only power outages that have been confirmed by our operations team are shown on the map. If you have recently reported an outage it may not show on the map until we have confirmed it as a power outage that requires one of our crews to restore.
