Trinidad and Tobago has one of the lowest electricity tariff rates in the Caribbean and Latin America. This has contributed to the inertia in its power sector's development and transition away from dependence on natural gas. Power generation in Trinidad and Tobago is entirely dependent on natural gas as a fuel source.

The Power Generation Company of Trinidad and Tobago ... The Penal Power Station is situated at Syne Village, Penal. This site was chosen because of the abundance of natural gas which had very little commercial value at that time. Construction of the plant began in 1950 with the establishment of a 11,400 Volt Busbar System and the installation ...
