How do the Cocos (Keeling) Islands communicate?

The Cocos (Keeling) Islands have access to a range of modern communication services. Digital television stations are broadcast from Western Australia via satellite. A local radio station, 6CKI - Voice of the Cocos (Keeling) Islands, is staffed by community volunteers and provides some local content.

What is the difference between Cocos and Keeling Islands?

The islands have been called the Cocos Islands (from 1622), the Keeling Islands (from 1703), the Cocos-Keeling Islands (since James Horsburgh in 1805) and the Keeling-Cocos Islands (19th century). Cocos refers to the abundant coconut trees, while Keeling refers to William Keeling, who discovered the islands in 1609.

What power does Western Australia have over the Cocos Islands?

The Act also gives Western Australian courts judicial power over the islands. The Cocos Islands remain constitutionally distinct from Western Australia, however; the power of the state to legislate for the territory is power-delegated by the federal government.
