

Cocos Keeling Islands ventient energy

Is there a fuel shortage in the Cocos Keeling Islands?

Viva Energy is responsible for the delivery of fuel to Cocos Keeling Islands, Australia's most remote community, and an unfortunate series of events late last year has led to a shortage of premium unleaded fuel on the islands. Viva Energy has been actively working on alternative supply solutions.

Who is the Cocos Keeling Islands Community Resource Centre?

EVENTS - PLEASE CONTACT US TO RSVP HERE The Cocos Keeling Islands Community Resource Centre has been operating since 2002, providing services to local businesses, residents and visitors to our wonderful Islands.

What are the Cocos Keeling Islands?

Often referred to by their full name, the Cocos Keeling Islands are the remnants of an extinct volcano. There are 27 islands in the group of which only 2 have settlements. The main island for travellers is West Island. Here you will find most of the accommodation, eateries, shops and the airport.

Why are the Cocos Keeling Islands so important?

But aside from the amount of waste washing up, it is the remote nature of the Cocos Keeling Islands which makes them of particular interest to scientists and anti-pollution organisations.
