Two MSU"s (mobile storage units) of 240 m 2 as well as lighting towers were donated to COSEP and their staff trained to erect them. Finally, UNDP has released 2 million euros to build new storage facilities for the government in the 3 islands. The Regional Civil Security Departments should be given these warehouses by 2020.

Jaws of the Lion comes with a decent amount of organizational materials, and the setup/teardown is extremely streamlined. The intention of the standalone expansion was to make an extremely accessible gloomhaven introduction for those who don"t have the money, experience, or (notably here) TIME to invest in something as in-depth as Gloomhaven proper.
