Who are CWP global & Copenhagen Infrastructure Partners?

CWP Global and Copenhagen Infrastructure Partners (CIP) are pleased to announce the recent completion of CIP's strategic investment in CWP's development portfolio of ultra-large-scale green hydrogen hubs, including projects across Africa, Australia and the Americas.

Who is CWP global?

Since 2018, this work was taken forward jointly with Partners Group as the major shareholder, while CWP Global pivoted to focus on the development of ultra-large-scale green hydrogen hubs in Australia and other locations globally, and to continue its work on a leading portfolio of grid-connected wind and solar projects in South-East Europe.

Who is CWP Terra?

CWP Global, through its entity CWP Terra, is the world's largest independent green hydrogen developer. With 6 ultra-large-scale hubs under active development across 5 continents, with a combined renewable energy capacity exceeding 180 GW, it employs over 120 experts worldwide.

Who are CWP global & Djibouti?

Dubai, UAE, December 3, 2023 - On the sidelines of the COP28 United Nations Climate Change Conference in Dubai, leading green hydrogen hub developer, CWP Global, and the Government of the Republic of Djibouti have come together to sign a...

What is CWP global's 26 GW hub?

The 26 GW hub, now operated by bp, marked the beginning of an expansion into green hydrogen which CWP Global recognizes is an energy carrier that will be essential to decarbonizing key industries such as steel or maritime shipping.

What does CWP do in Australia?

In Australia, CWP developed a portfolio of over 1.5 GW of wind and solar projects, with a strong emphasis on community collaboration. CWP Renewables, CWP's Australian arm, was a joint platform with Partners Group, and sold for \$4 billion to Squadron Energy in 2022.

Dubai, UAE, December 3, 2023 - On the sidelines of the COP28 United Nations Climate Change Conference in Dubai, leading green hydrogen hub developer, CWP Global, and the Government of the Republic of Djibouti have come together to sign a Dubai Joint Declaration on Accelerating CWP's Green Star Hydrogen Hub project, marking a significant leap forward in the emergence ...

CWP Global | 18,490 followers on LinkedIn. We think big and create projects with real scale and impact. | CWP Global is a renewable energy developer active across five continents. We are an innovator in renewable

energy development, inspired to provide energy solutions to build a sustainable future. Our CWP Europe business unit is currently pursuing 6+GW of utility-scale, ...

l'occasion du Sommet mondial Power-to-X, organisés les 19 et 20 septembre 2023 à Marrakech, l'équipe de direction de CWP Global a réitéré l'ambition de l'entreprise américaine de contribuer à faire du Maroc un chef de file dans l'émergence de la nouvelle industrie de l'hydrogène vert en Afrique du Nord et l'échelle mondiale.

At CWP Global, we are aligned with these market trends, and we are committed to integrating green hydrogen into various sectors, from maritime shipping to steel and cement production. As we look towards a future where sustainability is not just a goal but a necessity, green hydrogen stands out as a game-changer. At CWP Global, we are committed ...
