

CYY Energy is a Scientific and technological production which is dedicated in research, development & innovation of air separation units, natural gas liquefaction units and cryogenic chemical equipment. The company has advanced design capabilities, mature project management system, and high-quality manufacturing processes.

For cryogenic air separation plant, everyone has different special concerns about it, and what we do is to maximize the product requirements of each customer, so the quality of our cryogenic air separation plant has been well received by many customers and enjoyed a good reputation in many countries. CYY Energy cryogenic air separation plant have characteristic design & ...

CYY Energy as a professional High Pressure Gas Cylinder manufacturer and supplier in China, all the High Pressure Gas Cylinder have passed the international industry certification standards, and you can be completely assured of quality. If you do not find your own Intent High Pressure Gas Cylinder in our product list, you can also contact us, we can provide customized services.

The 10-foot tank container is designed for oil and gas exploration on offshore drilling platforms with a maximum working pressure (MAWP) of 9 bar. The 20" intermodal containers can be built to EN or ASME/DOT designs. Available maximum allowable working pressure (MAWP) options include 10, 18, and 24 bar for European design and 100, 150, 180, 230 psi for ASME/DOT ...

Cryogenic Storage Tank We offer a complete range of tank sizes from 1m³ to 250m³ and in both horizontal and vertical configurations. All CYY Energy's tanks feature perlite or a proprietary multi-layer insulation, which ensures high thermal performance, extended hold times, low life-cycle costs and low weight for reduced operational and installation costs.

CYY Energy is a high-tech production corporation that is dedicated to research, development & innovation of air separation units, natural gas liquefaction units and cryogenic chemical equipment. The company has advanced design capabilities, mature project management systems, and high-quality manufacturing processes. ...

Cyy Energy est une armée de séparation de l'air Chine Chine, usine PSA, fabricant de réservoir cryogénique avec un prix de haute qualité et raisonnable. Bienvenue à nous contacter. Téléphone: + 86-153-9713-0007. E-mail. info@cyyenergy . Français. English;

CYY Energy is a leading China Full Liquid Air Separation Unit manufacturer, supplier and exporter. Adhering to the pursuit of perfect quality of products, so that our Full Liquid Air Separation Unit have been satisfied by many customers. Extreme design, quality raw materials, high performance and competitive price are what every customer wants, and that's also what ...

Cryogenic Submersible Pump on sale manufacturers, find details about Cryogenic Submersible Pump manufacturers, supplier and wholesaler - CYY Energy . Telephone: +86-153-9713-0007

CYY Energy has advanced technical design ability, mature project management system, consummate and close-in after-sales service. Our production is widely used in steel, metallurgy, oil, chemical industry, machinery, environmental protection, electronic industry, medicine etc. So far, we have successfully delivered more than 50 types of ...
