

DR Congo stardust power inc

GREENWICH, Conn., Nov. 13, 2024 (GLOBE NEWSWIRE) -- Stardust Power Inc. ("Stardust Power" or the "Company") (Nasdaq: SDST), an American developer of battery-grade lithium products, today ...

At Stardust Power, we are looking to do our part in developing a new battery-grade lithium refining facility in the Central United States. When fully operational, Stardust's factory is expected to produce 50,000 metric tons per year of high-quality battery-grade lithium - still well short of what is needed to supply America's growing energy demands.
