Emergency power pack for home Zimbabwe

Sun Harmonics Emergency Power Pack includes a portable solar panel (30 Watts or 100 Watts) and a dynamical battery pack. The pack provides an excellent choice for an emergency power generating system that is self-reliant and provides an excellent alternative to traditional gas generators. The system is packed in a very

That is why we recommend outfitting your home with ChargeTech emergency power sources such as the 125K Power Station or 54K Portable Power Pack instead of a gas-powered generator. Our compact battery packs are lightweight enough to carry in your hand or a small bag, meaning that your source of power does not restrict where you are able to move.

Bid documents are now available for the first stage of Zimbabwe"s Emergency Power Infrastructure Rehabilitation Project Phase II.
