

Microsoft Dynamics 365????????PT NSSOL SYSTEMS INDONESIA????????ERP(Microsoft Dynamics 365)????????

The concept of ERP systems traced its roots to the emergence of inventory management systems around the 1960's, MRP systems in the 1970's and MRPII systems in the 1980's. However, there have been many fluctuations in the world of ERP systems. The Panorama consulting solutions report (2017) shows that the choice of 67% organizations
