

Esite power systems Tajikistan

Who is eSite power systems?

eSite Power Systems has over 20 years' experience designing, manufacturing and deploying sustainable green power infrastructure across Africa and Asia. Its eSite deployments have shown that switching to a reliable power system is an incredibly efficient way to cut operating costs and increase business profitability.

What happened to eSite power systems?

A new company, eSite Power Systems, has emerged from the bankruptcy of Flexenclosure, led by the same team that originally developed and brought eSite to market. The new business is leaner, more focused and funded to enable volume production. TowerXchange spoke to eSite Power Systems' CEO Mattias Karlsson to get the latest.

Who owns eSite Power Systems AB?

TORONTO, December 21, 2022 -- Clear Blue Technologies International Inc. ("Clear Blue or the Company") (TSXV:CBLU) announces, signed today, a definitive agreement to acquire all of the outstanding shares of eSite Power Systems AB ("eSite"), a telecom site power systems provider located in Lidköping, Sweden.

What is eSite X10?

Christian Jonson, Head of Sales, eSite Power Systems: eSite x10 manages all power related parts at a telecom site. This includes incoming power, consumed power and battery charging. This makes eSite x10 the perfect data collecting point. The eSite has all needed sensors inbuilt and keeps track of all data.

What happened to eSite X10?

One of the most innovative and widely adopted telecom site power systems, the unique eSite x10, is back with a vengeance. A new company, eSite Power Systems, has emerged from the bankruptcy of Flexenclosure, led by the same team that originally developed and brought eSite to market.

How is eSite power systems financed?

The purchase of eSite has been financed by issuing 3,000,000 Clear Blue common shares to eSite Power Systems' shareholders and is being completed on a cash-free, debt-free basis. Recall, the Company previously announced a non-brokered private placement for gross proceeds of up to approximately CAD\$2,500,000 (the "Offering").
