Shipment contains ONE Replacement Battery of 12V 40Ah for Faam FLL12-42 ; Please Reuse Your cables and Hardware - Shipment only contains Battery ; Rechargeable ; Spec:s 12V 40Ah, LxWxH = 7.76 X 6.69 X 6.5 inch, Weight = 30 LBS per Battery. Terminal = RT >

FAAM was founded in 1974 in the town of Monterubbiano (FM) as a brand manufacturer of energy storage systems. This historical experience in the sector allows us to offer Made in Italy products with very high energy efficiency. ...

The SAFE range, designed for vehicles of all categories, is the concrete answer to the ever-increasing demand for energy and the need for a high power accumulator for high starting currents, combined with safety and extreme reliability.

Powerful, safe and low maintenance, this type of battery is also equipped with the FAAM S3 - Stop Shock System, with which it passes the homologation tests of the leading automotive OEMs, as well as the tests required by EN standards. As with the GENIUS, thanks to the FAAM S3 system, the plates are blocked on both the upper and lower areas ...

In the near future, southern Italy will be a key player in the production of accumulators for electric vehicles, a cutting-edge sector in which Italy is at the forefront in Europe. Two Italian Giga...

Teverola 1 and 2 (Caserta, Italy) Over 500,000 square meters of total area (of which 82,000 covered). Production of lithium cells, modules and batteries for storage, electric mobility, motive power...

As part of Seri Industrial group, FAAM is proud to contribute to the project with Eni for the development of the lithium-iron-phosphate (LFP) battery chain. Thanks to this agreement, the new Brindisi plant will be joined by the one under construction in Caserta by FIB, a subsidiary of Seri Industrial, consolidating the role of FAAM and the ...

Faam manufactures acid and lithium-ion batteries. They provide cells, modules, and lithium batteries made with green and sustainable materials and in vertical production. They manufacture acid and lithium-ion batteries with a focus on ...
