???????The First Descendant????1?? ????? ??????????????????????20???30???? ???? -> ???????????????? ...

The "Energy Activator Blueprint" has a consistent drop rate for me, occurring every three days. Despite a mere 3% chance of obtaining it, I"ve noticed this pattern after opening around 20-30 Amorphous Materials during those periods. This consistency makes me believe the system might be rigged. How can such an essential resource be treated this way?
