

Where are the Faroe Islands?

This remote and rugged destination, often described as a hidden gem of the North Atlantic, is an autonomous territory within the Kingdom of Denmark. Comprising 18 main islands and several smaller islets, the Faroe Islands offer a breathtaking landscape of dramatic cliffs, lush valleys, and pristine fjords.

What makes the Faroe Islands unique?

The ocean and associated fields of knowledge however, remain as the Faroese's areas of expertise par excellence. The close proximity of the Faroe Islands provides a variety of experiences - from dramatic landscapes meeting the wild ocean to the peacefulness of the mountains to the nightlife of the capital Tórshavn.

Where is the National Archives of the Faroe Islands located?

The National Archives of the Faroe Islands (Faroese: Tjóðskjalasavnið) is located in Tórshavn. Their main task is to collect, organize, record and preserve the archival records (documents) of the authorities, in order to make them available to the public in the future.

How do I get to the Faroe Islands?

Getting to the Faroe Islands is more convenient than ever, thanks to the new direct routes offered by Atlantic Airways, the national airline of the Faroe Islands. This company has a rich history dating back to its establishment in 1987.
