Gabon is generally not that too safe of a destination, as there are many dangers that may befall an unsuspecting tourist - both in the form of petty and violent crime. There are pickpockets operating and every corner and petty theft such as purse snatching, armed robberies, and carjacking, so tourists should exercise caution.

Selon l'agence de presse Londonienne Reuters, la compagnie pétroliére nationale du Gabon, Gabon Oil Company (GOC), a finalisé vendredi 21 juin 2024, l'acquisition de la société pétroliére et gaziére Assala Energy auprés de la société américaine Carlyle Group (CG.O). La GOC avait exercé son droit de préemption en février dernier, aprés que Carlyle ...

Gabon: Energy intensity: how much energy does it use per unit of GDP? Click to open interactive version. Energy is a large contributor to CO₂ - the burning of fossil fuels accounts for around three-quarters of global greenhouse gas emissions. So, reducing energy consumption can inevitably help to reduce emissions.
