Eric LaMora, executive director of community solar at Nautilus, said: "The successful development of this community solar farm on a FUDS site sets a new precedent in renewable energy projects. It is a proud moment for Nautilus as we contribute to the clean energy transition while fostering local economic growth."

Solar Pioneers have power. Sunshine may power our solar farms, but it is the 40,000+ environmentally-committed Solar Pioneers that power Nautilus Solar Energy®. By joining, you'll help bring clean energy to your community. And when the community solar farm is up and running, you'll receive solar credits applied to your electric bill.

\$100 sign-up discount for new subscribers to an active Nautilus Solar Energy® community solar project in Colorado. Your \$100 discount will be provided in the form of a \$25 bill credit in each of the first four billing cycles. Bill credits combined with your solar credits cannot be greater than your electric charges.

Georgia nautilus solar

Since 2006, Nautilus Solar Energy®; has been a pioneer in solar energy. We've led the way by being one of the first companies to sell energy to a utility under a long-term contract. In the decades since, our 127 solar farms across the country have provided clean energy to our 40,000 Solar Pioneers.
