FREE delivery throughout most of South Africa.

During my internship at Nabu Casa in the first half of 2021, I focused on energy management for your house, how to collect all energy data and display it on a dashboard. Since Home Assistant release 2021.8 it's possible to use the Home Assistant Energy dashboard to display your energy usage. Unfortunately, not everyone has a smart meter and/or is equipped with a P1 port.

La plataforma por excelencia que impulsa el comercio colombiano gracias al enfoque dirigido a la promoción de productos esencialmente colombianos con tradición e historia y de excelente calidad.
