Bitech expects to complete financing for its first two 100MW BESS projects in Texas in the second half of 2024 while expanding revenue opportunities with the U.S. Department of Energy. In early 2025, the Company expects to commence construction for its first two projects, finance a third project, and pursue strategic, joint venture opportunities.

Chief among them is project finance. The importance of project finance for renewable energy projects cannot be overstated. Securing long-term finance for projects using a non-recourse financing mechanism has been pivotal to the successful scaling of the global wind and solar industries, especially in investment-grade countries.

The EDA Project is financed by the Green Climate Fund and is being implemented by the Government of Grenada through the Ministry of Finance and the Ministry for Climate Resilience. ADDRESS PO Box 2300 Melville Street St. George's Grenada, W.I. CONTACT Email: info@gdbbank Phone: +1 (473) 440 2382
