These solar batteries are now available to ALL residential solar customers on Guam. THAT'S RIGHT! ALL residential solar customers; whether you're an MRE customer or not. Never be without power again!

While you can always schedule service with our technicians at Atkins Kroll Guam, sometimes Hagatna and Dededo drivers need to remove their batteries during an inspection at home. But, learning how to remove a car battery safely requires a little bit of research. That's because car batteries contain corrosive chemicals and electric charges that can harm you if you're not careful.

Replace noisy, smoky generators with a silent, fume-free, portable home battery. Unlike generators, batteries are ideal for both outdoor and indoor use, running all your essentials during a blackout. And, with the help of solar energy, recharge during an extended outage.
