

Heavy duty tool cabinet Zambia

What is a heavy-duty workstation-height tool cabinet?

Heavy-duty workstation-height tool cabinets hold loads of up to 200 lb. per drawer. The cabinet top stands between waist-to-chest high to provide a work surface for laying out tools and supplies or completing assembly work and paperwork. These cabinets measure from 50" to 59" wide to fit along walls and within spaces wider than the cabinet.
