

Himoinsa power solutions Macao

Does himoinsa manufacture power generation equipment?

Himoinsa manufactures and delivers power generation equipment globally. Products available include generator sets both diesel and gas, hybrid power gensets, lighting towers and paralleling systems. HIMOINSA manufactures and delivers power generation equipment worldwide.

What is a himoinsa gas generator?

HIMOINSA gas generator sets are available worldwide, and can be powered by LPG, biogas and natural gas. With a power output range of 8kW to 1,500kW the set offers low-noise levels and vibrations. They also provide lower maintenance costs and lower emissions than the diesel generator option.

What is a himoinsa generator set?

Rental Range - HIMOINSA has recently introduced a rental range of generator sets. These sets are manufactured to withstand extreme environments including very high and low temperatures, ice, snow and rain while still maintaining a high-quality acoustic performance.
