

Ignite power services company ltd Tanzania

What is ignite power?

Ignite Power brings solar-based life-enabling solutions to the poorest communities of sub-Saharan Africa, including many in Rwanda.

Who is ignite?

Founded in 2014, Ignite focuses on bottom-of-the-pyramid communities, consisting mostly of small-holder farmers and their families, providing them with clean, green energy solutions to their everyday needs, including solar home systems, solar irrigation pumps, and much more.

How has ignite power impacted the community?

Ignite Power has expanded its operational reach and brought tangible enhancements to the communities it serves thanks to strategic support. With the assistance of SIMA Funds, Ignite Power has been able to deploy over 20,000 solar-powered solutions.

Why did ignite power partner with a prestigious organization?

"We are deeply honored to partner with such a prestigious organization that shares our vision for a disruptive model poised to generate substantial, large-scale impact", says Angela Homsí, Ignite Power President. "This collaboration exemplifies our commitment to innovative solutions that transcend barriers and foster inclusive growth."

What is ignite power & Sima funds?

The partnership between Ignite Power and SIMA Funds is more than just about providing energy solutions; it is also about brightening lives, tearing down barriers, and building a workforce that reflects the diversity and resilience of the communities it serves.

How has ignite power impacted Mozambican communities?

Ignite Power has reached a succession of coveted milestones that clearly demonstrate the collaboration's influence. With the strategic support of SIMA Funds, Ignite Power has effectively expanded its reach to several Mozambican villages, a feat of immense significance.
