

Who is Acme Jordan?

Acme Jordan is a major manufacturer of melamine products in Australia. We specialise in melamine furniture development, producing a wide range of options for all household and commercial needs. With our long manufacturing history, modern methods and technology, we lead the way in melamine production.

Are Acme Jordan products made in Australia?

We source Australian suppliers for our individual products and take pride in providing products which are fully Australian Made. Acme Jordan Pty Ltd uses Chain of Custody (CoC) certification from its suppliers to ensure that the vast majority of wood in its products is legally sourced from sustainable managed forests.

What certifications does Acme Jordan use?
