

What makes Kiribati unique?

The uniqueness of Kiribati when compared with other forms of Pacific island dance is its emphasis on the outstretched arms of the dancer and the sudden birdlike movement of the head. The Frigate bird (Fregata minor) on the Kiribati flag refers to this bird-like style of Kiribati dancing.

What is the Kiribati Adaptation Program (KAP)?

The Kiribati Adaptation Program (KAP), started in 2003, is a US\$5.5 million initiative that was originally enacted by the national government of Kiribati with the support of the Global Environment Facility (GEF), the World Bank, the United Nations Development Program, and the Japanese government.

Is Kiribati urbanised?

Kiribati was mentioned in the study, and Webb and Kench found that the three major urbanised islands in Kiribati--Betio, Bairiki and Nanikai--increased by 30% (36 hectares), 16.3% (5.8 hectares) and 12.5% (0.8 hectares), respectively. [116][117][118][119][120]

What type of media is used in Kiribati?

Radio Kiribati, based on Tarawa and operated by the government's Broadcasting and Publications Authority (BPA) on 1440 kHz AM is the only form of mass media that reaches all the major islands. Transmission hours are limited and local content in Gilbertese is supplemented by English summaries and BBC News. [155]

Is there a prison in Kiribati?

The main prison in Kiribati is located in Betio, named the Walter Betio Prison. There is also a prison in London on Kiritimati. [citation needed] Male homosexuality is illegal in Kiribati, with a penalty up to 14 years in prison, according to a historical British law; however, this law is not enforced.

Does Kiribati have fresh water?

Fresh water remains a concern of Kiribati- during the dry season (Aumaiaki), water has been drilled for instead of using rain water tanks. In recent years, there has been a longer than usual Aumaikai season resulting in additional water having to be drilled from beneath the water table.
