What is Windmar Solar?

Windmar Solar, also known as Windmar Home and Windmar Home Florida, is a renewable energy company called Windmar Solar established in 2002 by Marc Roumain in Puerto Rico. It is responsible for a significant number of solar installations in Puerto Rico, and it has since expanded to Florida, where it runs a smaller operation.

Who is windmar home?

WindMar Home, the Caribbean's leading residential solar contractor, is part of the WindMar Group and provides turn-key solar energy solutions to thousands of homeowners in Puerto Rico and, more recently, in the state of Florida. "nete a esta increíble carrera que genera energía renovable para la Isla y grandes beneficios para ti.

What is Windmar Solar & Roofing?

Windmar Solar & Roofing is a company with more than 20 years of experience in energizing homes and businesses in Puerto Rico and Florida through renewable energy. Our team of highly trained professionals guarantees the best service in solar photovoltaic systems and other solar energy alternatives. Trust the experts and join Windmar Solar + Roofing!

What payment options does Windmar accept?

Windmar accepts only cash purchases and solar loans as payment options. If you're looking for solar lease options or power purchase agreements (PPAs), you will need to consider other companies.

Does windmar solar have a warranty?

Unfortunately, Windmar Solar does not offer a warranty for their workmanship, so labor is not covered. This is a significant downside, especially in areas with above-average rainfall, like Florida, which sees 53.7 inches of rainfall annually compared to the national average of 36 inches, and can quickly uncover problems with the installation.
