LS Energy Solutions is the latest energy storage technology provider to launch modular all-in-one battery energy storage system (BESS) units for the utility-scale, as well as commercial and industrial (C& I) markets.

LS Energy Solution said in a release this morning that the Big Rock system will deliver 4-hour discharge durations to meet RA contract obligations, at 100MW rated output. Big Rock is Gore Street's first California acquisition and marks a continuation of the UK company's internationalisation strategy.

Also joining Steve Fludder at LS Energy Solutions will be another familiar name from NEC, Roger Lin. Lin was VP of marketing at NEC Energy Solutions and now becomes VP of marketing and strategy in his new role. Roger Lin was at NEC's predecessor company, A123 Systems before that was acquired by the Japanese corporation and has over 15 years ...

LS Energy Solutions is a pioneering global energy storage provider that helps our customers both behind-the-meter and in front-of-meter solve their most complex energy challenges in a safe, reliable, and innovative way.

The AiON-ESS all-in-one integrated system is a flexible, modular AC energy storage solution for 1-hour and
