

Lumina energy solutions South Africa

Who are luminous power technologies & hudaco energy?

India-based energy solutions brand Luminous Power Technologies and South Africa's Hudaco Energy have teamed up to bring to a new range of applicable energy solutions to South Africa.

Why should you choose luminous power technologies?

"Luminous Power Technologies has a range that is robust and hardy. It is designed for conditions like ours," he continues, highlighting the experience of Luminous Power Technologies, which has installed more than 70-million products over 35 years in a country that faces similar power conditions as South Africa.

How many Luminous Power Technologies factories are there in India?

Luminous Power Technologies has seven factories across India - a large inverter manufacturing plant and six battery plants, mostly invested in tall tubular technologies. A panel assembly plant will be launched in India in the next two months.
