

# Malta solar panel and battery price

Are solar panels a good investment in Malta?

We can't stress enough how good of an investment home and commercial solar systems are in Malta. The island has an extremely high sunshine yield, and the right solar system can drastically reduce your electricity bills.

Is solar power growing in Malta?

Power generation from photovoltaic (PV) solar cells is increasing in Malta, with total kWp (kilowatt peak) capacity growing by 16.9% from 2017 to 2018. Domestic rooftop installations account for the overwhelming majority of PV installations, and hold 52.1% of total kWp capacity.

Does Malta offer a government rebate scheme for solar panels?

One of our 14 flat panel installations benefiting from government rebate scheme. The available schemes also covers those households with existing solar panel systems setup in Malta which have expired feed-in tariffs. Tariffs that expired after six and eight years will be extended by 14 and 12 years respectively. Request a Quote 2148 0500

Who owns the Solar Grid in Malta?

In Malta the grid belongs to Enemalta Corporation. The Kyocera /Hyundai /JA Solar photovoltaic panels are installed on the roof and produce high voltage DC current. This is fed into an SMA/SolarEdge/Huawei inverter which stabilises the voltage and current, then changes it into AC current at 230V, suitable for Malta's supply.

Which solar panels do you use at Panta?

At Panta, we use top-of-the-market solar panels that are extremely efficient and require minimal roof space. We opt for Huasun solar panels and Sungrow inverters. Both companies are renowned worldwide as the leading manufacturers of products for electricity generation from solar energy.

How does Panta support my solar system?

From tailoring the design of your system to installation, maintenance and after-sales service, Panta will support you throughout the lifespan of your solar solution. Under certain conditions, you may also be eligible for a government subsidy when purchasing a solar electricity generation system.

Here are 10 solar panel companies in Malta: Solar Solutions Ltd. Solar Solutions Ltd is Malta's leading renewable energy company. We are a team of dedicated specialists who set up the company in 2005 with a commitment to a high level ...
