

Mayotte cotswold energy solution ltd

Cotswold Energy Group installed our air source heat solution. Cotswold Energy Group installed our system a few years back and with everything happening with energy nowadays, what a great decision we made. We are quietly smiling at everyone with massive monthly bills and now have a great heating system.

Understand which renewable energy solutions can work best for you ; Identify which government grants and incentives you may be eligible for; Kickstart the process with a quote for our renewable energy services

Cotswold Energy Group fitted our Air Source Heat Pump in March '22. The whole team were fabulous from the initial consultation right through to the plumbing and electrical fitting. Special thanks go to Zoe who kept in contact throughout.

Cotswold Energy Group Ltd (CEG) replaced my old gas boiler gravity-fed system with a mains-pressure ASHP system. That included both a unit that utilises the spare energy from our solar panels to heat the water, and a monitoring system (MMSP) that provides historical information on how the system is performing.
