

Menlo electric s a Liechtenstein

Who is Menlo electric?

Menlo Electric is the fastest growing EMEA distributor of PV modules and inverters. We operate in more than 40 markets, offering solar components from the best brands. Our 15 logistics centers in EMEA enable quick and affordable delivery. 65 Sales Representatives provide you with easy access to the best solar components.

Is Menlo electric a reliable supplier?

We recommend Menlo Electric as a very reliable and professional supplier who knows the current realities in the photovoltaic industry. All deliveries were made on time and without problems. Our account manager showed full professionalism and a reliable approach to our company.

Is Menlo electric a reliable partner in PV investments?

With full confidence, we recommend Menlo Electric as a reliable partner in PV investments. We have been cooperating with Menlo Electric for a long time. Our account managers are true professionals and we are very pleased to cooperate with them. They are always willing to help, and offer good commercial conditions.

Why did Menlo electric participate in szlacheta Paczka?

Menlo Electric takes part in Szlacheta Paczka - one of the most popular Christmas charity events in Poland that supports families in tough life situations. Thanks to volunteers from Menlo, we provided a fridge, food, cleaning products, clothes and many other for them. We also remembered to get the dream gift for each member of the family.

Where is Menlo based?

Founded in 2020, Menlo started with sales to only two countries - the Netherlands and Germany. We grew rapidly with local sales teams and offices launched almost every month. Our global aspiration is reflected in recent expansion to the MENA region. And we won't stop there! We work with the best names in the industry.
