

## Mexico forsee power

Will Mexico give CFE a preference over other power generators?

MEXICO CITY, Oct 17 (Reuters) - Mexico's Senate voted to amend the country's constitution late on Wednesday to give dispatch preferences to state electricity company CFE, cementing the national power generator's preferential status above foreign or private competitors.

Who is Forsee power?

A pioneer in the design and manufacture of high value-added battery systems, Forsee Power has positioned as a leader in its markets and benefits from a unique presence in Europe (France and Poland), Asia (China and India) and in North America (Ohio).

Which vehicles are equipped with Forsee power batteries?

light electric vehicles worldwide are equipped with Forsee Power batteries. buses worldwide are equipped with Forsee Power batteries. tonnes of Co2 equivalent will be avoided over the lifetime of the heavy vehicles equipped by Forsee Power in 2022.

Les batteries lithium-ion pour les véhicules électriques ont révolutionné l'industrie automobile. Avec leur haute densité d'énergie, longue durée de vie et légèreté, elles sont la technologie prédominante pour alimenter les véhicules électriques.

2019, Forsee Power a défini sa propre stratégie de développement durable, en identifiant les grands domaines de priorité et en dressant une feuille de route 2025 associée des objectifs ambitieux. En 2020, nous avons intégré le principe fondateur de la gouvernance dans la stratégie. Elle entend mettre en place un ...
