Who is Dragonfly energy?

Dragonfly Energy has advanced the outlook of North American lithium battery manufacturing and shaped the future of clean, safe, reliable energy storage. Our domestically designed and assembled LiFePO₄ battery packs go beyond long-lasting power and durability--they're built with a commitment to innovation in our American battery factory.

Is Gazprom provoking an energy crisis in Moldova?

President Maia Sandu on Thursday accused Gazprom of provoking an energy crisis in Moldova, saying the Russian energy giant was refusing to supply gas through an alternative route if the fuel stops flowing through Ukraine at the end of this year.
