

At Solar Montenegro Clarion Partners, with our solar and energy storage specialist, we offer a wide range of solar services for solar power plants such as solar design engineering, solar consulting, QA/QC on solar panels and other PV plants ...

PHONO delivers leading smart solar energy solutions with proven success references from more than 20GW of accumulated installations around the world. As one of the globally recognized solar module suppliers and an end-to-end lifecycle solar power plant services provider, PHONO delivers superior system-level results over competitors.

The joint-ventured solar module factory established by Phono Solar and Smart Energy went into operation. Phono Solar signed 200MW global module supply agreement with Wattkraft. Phono Solar provided Indian customers with a total of 82MW of high-efficiency solar photovoltaic modules, breaking into Indian market.

The technologically advanced photovoltaic panels from Phono Solar in the Solarity wholesale division range. Permanent warehouse stock, quick distribution and reliable logistics worldwide, technical support, partner program, smart financing methods. Take advantage of premium modules for solar power systems suitable even for extreme conditions.
