MVM, the energy company controlled by the Hungarian state, is the second largest company in the neighboring country and the fourth largest in Central Europe. It has revenues of around 18 billion euros, 18,000 employees and contributes around 3% to Hungary's GDP. It has more than 10 million residential and commercial customers, provides 70% of ...

We could also upgrade MVM following further improvement of its SACP, with FFO to debt above 40%. However, we consider this unlikely in the next year, largely because of the company's substantial capex plan. Company Description MVM is a 100% state-owned, vertically integrated energy company based in Hungary, and a
