

My sun com Angola

What is the Angola solar project?

The Angola Solar Project includes seven utility-scale projects, including one installation that is the largest utility-scale solar installation in Sub-Saharan Africa. In four southern provinces of Angola, we're deploying 728 MW of utility-scale solar PV, solar minigrids with battery storage, home power kits, and potable water.

Why did Angola choose Sun Africa?

When Angola wanted to strengthen their national electricity system, diversify their energy matrix, and reduce their dependence on fossil fuels, they turned to Sun Africa. The result is the Angola Solar Project, the largest renewable energy project in Sub-Saharan Africa.

Who backed Sun Africa's 370 MW solar PV project in Angola?

Sun Africa was awarded the prestigious "ECA/DFI-backed deal of the year" by "TXF Perfect 10" for Sun Africa's 370 MW solar PV project in Angola. Sun Africa initiated this project, developed it, and arranged long-term financing. At 188.88 MWdc, the Biopio site in Benguela is the largest single solar PV project in Sub-Saharan Africa.

What is the Angolan government's \$1.5bn mini-grid energy project?

The Angolan Government and Sun Africa signed an MoU for a \$1.5bn mini-grid energy project on September 20th, in the presence of President João Lourenço. Earlier this year, the consortium of Sun Africa, MCA Solar Angola and Hitachi ABB Power Grids broke ground on 370 MW of solar PV projects in Angola.

What is Angola's solar power potential?

While the country has so far mostly relied on hydropower and thermal sources of energy, it also has a high solar resource potential, and its average annual global radiation is estimated at between 1370 and 2100 kWh/m²/year. With this resource, Angolan authorities believe they could install a solar power generation capacity of 55,000 MW.

What is a solar project in Lunda Norte?

This project in Lucapa, Lunda Norte, includes a 5.46 MWac Photovoltaic (PV) solar and associated transmission interconnection infrastructure. We're only as strong as the country we make connections with. If you're interested in Sun Africa, we'd love to hear from you.
