

Mzansi solar solutions Chad

Mzansi Solar is a company that specializes in green solutions. We provide solar geysers, heat pumps & solar power solutions. Because we are an independent supplier of green products we can source the best products at competitive prices. We also ensure that we only use products for which there is technical support available in South Africa.

We select large enough urban centers (20,000+ inhabitants) that are not properly electrified. We install a brand new grid network and state-of-the-art hybrid power plant. Prepaid smart meter are installed in all homes and businesses against a ...
