

Namibia apsystems battery

APsystems offers advanced, powerful solar microinverter technology for residential and commercial systems. The APsystems solar solution combines highly efficient power inversion ...

APsystems next-generation AC-coupled smart Energy Storage Solution for residential. The systems includes the ELS single-phase battery charger solution together with APsystems low voltage batteries, Also compatible with an expanding list of LiFePO4 battery brands*, it becomes the ideal AC-coupled storage solution for residen­tial PV applications.

The APsystems YC1000 microinverter is a key component of this installation at Ritter Safaris, a 40,000-acre working ranch in Namibia. The installation includes 13 YC1000 units linked to a 52-panel roof-mount array for 12.2 kW, 3-phase power output.

APsystems offers advanced, powerful solar microinverter technology for residential and commercial systems. The APsystems solar solution combines highly efficient power inversion with a user-friendly monitoring interface to bring you reliable, intelligent energy.

The APsystems YC1000 microinverter is a key component of this installation at Ritter Safaris, a 40,000-acre working ranch in Namibia. The installation includes 13 YC1000 units linked to a ...

News.
