Naps has a profound experience of component technologies and particularly strong expertise in solar modules

Naps solar Ecuador

due to nearly 20 years of own production. Naps brings eco-friendly electricity to where sunlight is available.

The Naps Solar Group is one of the world's oldest photovoltaic operators. Naps solar engineer has been a leading brand in the global photovoltaic market since 1981, when the Finnish oil company Neste established the photovoltaic unit Neste Advanced Power Systems (NAPS) around its product development activities.

Desarrollando, el Gobierno de Ecuador presenta su mapa solar (ver video), un estudio sobre el potencial del país para la energía solar, con la identificación de las ubicaciones para siete proyectos fotovoltaicos con una potencia en ...
