

New Zealand sunover solar

Who is sunover solar & technology?

We offer wide range quality products either from our own standard range or customer-made to your specifications. Sunover Solar & Technology Co., Ltd. is becoming the most growing China UPS and Solar power systems technology supplier worldwide.

What are the best solar panels in NZ?

SunPower Solar Panels are widely regarded as the best Solar Panels in NZ and indeed the world, with the industry's longest product warranty of 30 years. Combined with improved efficiency, enhanced performance and uncompromising reliability, SunPower panels offer more lifetime energy and real savings across the long life of your system.

Why do Dunedin solar use SunPower solar panels?

Dunedin Solar use SunPower solar panels because we know their claims of reliability and performance are backed by real-world evidence. They boast a return rate of less than 0.005% based on over 15 million panels installed since 1985. With numbers like that, you can rest assured that your SunPower panels are a smart investment.

How can solar power help New Zealand?

We're working with the sector on New Zealand's renewable energy and low-emissions transition. We're responsible for the governance and regulation of New Zealand's electricity industry. Solar power can help you become more self-sufficient, reduce your carbon footprint and reduce your energy costs.

Does New Zealand have solar power?

Solar power in New Zealand is increasing in capacity, despite no government subsidies or interventions being available. As of the end of April 2024, New Zealand has 420 MW of grid-connected photovoltaic (PV) solar power installed, of which 146 MW (35%) was installed in the last 12 months.

Is going solar a good idea in New Zealand?

Going solar helps the environment - it creates clean, green energy and is a great way to reduce your carbon footprint. Going solar demonstrates your commitment to sustainability and will help New Zealand achieve its target of net zero greenhouse gas emissions by 2050. Is your property suitable for solar?

Solarcraft, Auckland's trusted solar panel installers, provides expert services and energy-efficient solar systems. Start saving with our solar solutions today. 0508 272 389
