ONESUN is one of the most professional single phase hybrid solar inverter manufacturers and suppliers in China. With abundant experience, our factory offers high quality single phase hybrid solar inverter made in China with competitive price. Welcome to place an order.

Most homeowners qualify for the federal 30% tax credit. In order to qualify, you must have federal tax liabilities. If your tax liabilities for the year you are claiming your solar tax credit are equal to or greater than 30% of your project total, you may claim the entire eligible tax credit for the same year in which your system is installed.
